- **Old Business:**

- **Discuss Campus Safety and Policing Forum - 11/17/21**

- Follow up:

- Website for the committee
 - Another open forum or event in spring

- APD Mobile Invention Service Team (MIST) - Public Safety committee, how to implement social services positions in police and reimagining policing to Arcata. Working with Department of Health and Human Services (2 clinicians) to provide support and response. 3-4 years of funding. APD co-responding and responding to issues by themselves.

- Working on Hybrid position in UPD (unarmed responder) to respond to crisis where there is not violence present - Position has posted.

- As HSU and the community grows, we are hoping to incorporate more.

- Community Wide Police Oversight Committee - Amber Gaffney

- Amber spoke with the group, they are in initial process and tasks the research group to work with them to figure out the oversight committee.

- Social Justice Summit Workshop -

- Proposals will be out by the end of fall semester

- **New Business:**

- Conversation on food theft in the areas - Working with Chartwells

- Reports of people using the self-serve food areas
 - Non-students using
